

AN OPPORTUNITY TO BENEFIT FROM FREE TRAINING AND ADVICE IN BRISTOL

26th March 2014

“Be Compliant, Stay Compliant”

**The Bristol Conference Centre, The Wylands,
Lower High Street, Shirehampton, Bristol, BS11 0DA**
Seminar Facilitator: **Philip Brown**, Solicitor and former Senior
Traffic Commissioner for Great Britain

A FIRST OPPORTUNITY FOR ROAD TRANSPORT, LEGAL UPDATES AND GUIDANCE BROUGHT TO YOU BY ROAD TRANSPORT SPECIALISTS, NOW IN BRISTOL

Purpose

Following its successful launch in London and South East England in 2012, Client Support Ltd (CSL) has teamed up with AMD Solicitors of Bristol to provide expert help, training and advice for those involved in the operator licensing industries..

Advice

Led by former Senior Traffic Commissioner, Philip Brown, CSL and AMD Solicitors have been successful in securing positive outcomes for clients who have attended public enquiries before the Traffic Commissioner over the last 12 months.

Learn More

Learn more about the services which we offer, including legal advice and representation on road traffic / road transport matters in the magistrates' courts and at public enquiries before the Traffic Commissioner.

Training

Experience a taster presentation on the latest rules and responsibilities involved in obtaining, managing and retaining an operator's licence in a compliant fashion and take part in a question and answer session led by Philip Brown.

The event is free of charge, without obligation and refreshments will be provided.

About Us

Client Support Ltd

Director, Philip Brown provides the road transport industries with compliance advice and support on operator licensing. He also offers representation as a consultant solicitor in private practice, with AMD Solicitors. With over 23 years' experience in operator licensing as a Traffic Commissioner and as a solicitor, Philip is well placed to understand the challenges faced by operators, transport managers and all those working in the road transport industries. Philip is also a professional trainer.

AMD Solicitors
